Buildings Insurance

Policy document

Introduction

This policy document describes the insurance for Your Home. Please keep it safely for future reference.

The policy operates during any period for which We have accepted and for which You have paid or agreed to pay the appropriate premium, and provides insurance against loss, damage or injury occurring during any such period, subject to the exclusions, conditions and endorsements of the policy.

Please read this document now to ensure the cover You have is what You require and to avoid any misunderstanding in the future.

This policy document has been written as clearly as possible, although to assist where We feel clarification is required or ambiguities may arise, We have highlighted notes, and while they do not form part of the policy We hope You will find them useful.

We will try at all times to deal quickly and fairly with everything arising from Your policy. However, if at any time You are dissatisfied with Our service or attention please refer to the complaints procedure. This includes full details of Our participation in the Financial Ombudsman Service.

Policy cancellation

If You are a leaseholder, the terms of Your lease may stipulate that the freeholder (e.g. Council, Housing Association) has to arrange the insurance of the Building. It is usual for buildings divided into flats, to be insured under a single policy. This ensures that all flats and any common areas are always covered.

Should You wish to cancel You will need to check whether the consent and/or approval of the Council or other organisation who has arranged this insurance is required and if so, obtain it.

If You are not a leaseholder and want to cancel this policy, or You are a leaseholder and You have the consent and/or approval of the Council (or other organisation who arranged this insurance on Your behalf) to cancel this insurance, please see condition 5 for details of cancellation conditions and charges.

If You need to make a claim

We hope that You will not have the misfortune to suffer loss, injury, or damage. However, should a claim occur, You may find the following points helpful:

- Check that the loss or damage is covered. This policy document shows what is covered, what is not covered and the conditions which might apply. (You should remember that this policy does not cover damage by wear and tear).
- Obtain a claim form from the Council or other organisation who arranges this insurance on Your behalf, and send it, completed, to Us.
- If You have any queries concerning the progress of Your claim You can telephone Our claims team on 0800 026 1841.
- When You contact Us about a new claim You will need to advise Your name and address, the place where the loss occurred and what caused the loss or damage.
- Tell the police if something has been stolen or maliciously damaged.
- You can arrange for emergency repairs to be carried out to prevent further damage occurring. Keep the bills, as these could form part of Your claim.
- When repairs are not necessary immediately You should obtain, if possible, at least one estimate for repair or replacement. Don't delay in sending Your claim form while waiting for an estimate, simply send in the form and tell Us that You are obtaining an estimate. Once We have approved an estimate, the work can be carried out and You should send the final account to Our claims team. We will then settle Your claim within the terms of the policy. Alternatively, We may be able to arrange for an approved contractor to survey and repair the damage on Our behalf.
- If someone is making a claim against You for any injury or damage to their property, You must send Us full details as soon as possible. Any letters regarding the claim should be sent to Us, unanswered without delay. You should not become involved in correspondence with the other party – You must leave Us to deal with the matter on Your behalf.

24 hour emergency repair service

You can use this service if any domestic emergency occurs causing damage to Your Buildings, for example:

- Accidental Breakage of glass in Your Home;
- blocked drains or escape of water from plumbing in Your Home;
- Your Home becoming insecure due to damage to windows or doors.

Zurich Municipal will arrange for an authorised repairer to call and make appropriate repairs.

This service is available 24 hours a day, every day of the year.

Just call 08000 159 329

If the repair is subsequently part of a valid claim, We will settle the repair costs direct with the authorised repairer and You will only have to pay the Excess to the authorised repairer. However, if the repair is not part of a valid claim, You will be responsible for any fees or costs charged by the authorised repairer.

If they are necessary in the reinstatement of the Buildings following loss or damage by an insured risk We will pay:

- a) architects', surveyors', consultants', and legal fees, but not fees for preparing any claim;

7. Protection of other interests

The policy will continue to protect the interests of any other party interested in the Buildings despite anything done or not done which increases the risk of loss or damage without the knowledge or authority of the interested party provided that that party gives Us written notification of a change in the risk as soon as reasonably possible after becoming aware of it, and paying the additional premium that We may reasonably require.

A party with an interest in Your Home will be Your mortgagee. If You alter Your Home or its use, for example by letting Your Home or building an extension, and do not inform the interested party or the Council or other organisation who has arranged this insurance on Your behalf, this policy will remain in force solely for the protection of other interests. However the interested party must inform Us in writing and pay any additional premium required, as soon as they are aware of this change in risk.

8. Replacement locks

If the keys to the locks of the external doors or windows of the Home and intruder alarms and safes installed in the Home are lost or stolen anywhere in the world, We will pay the reasonable cost of replacing and fitting locks of an identical type operated by those keys.

9. Tracing a leak

We will pay up to £5,000 for the cost of removing and then repairing, replacing or reinstating any part of the Buildings when this is necessary to find the source of a water leak from any fixed water appliance, pipe or tank that is causing damage to the Buildings.

10. Emergency access

We will pay the costs incurred following loss or damage to the Buildings caused by the police or emergency services in gaining access to Your Home in connection with a medical emergency or to help prevent loss or damage to the Home. The most We will pay for any event is £1,000.

11. Inflation increase

When Your premium is based on an agreed individual Sum Insured, Your Sum Insured will be increased monthly to reflect costs of property rebuilding and claims inflation.

This increase is designed to give an automatic adjustment to the Sum Insured, but does not necessarily reflect, for example, local differences or non-standard construction and consequently You should regularly check the adequacy of Your Sum Insured. You should take into account extensions or improvements made to Your Home when calculating Your Sum Insured. Remember if Your Sum Insured is inadequate to begin with a single annual inflation increase will not correct it. Please contact the Council or other organisation who arranges the insurance on Your behalf, if You have any questions regarding Your Sum Insured or premium.

12. Our payment to You

In the event of loss or damage to the Buildings caused by an insured risk We will pay the full cost of work for repairing or reinstating as new the damaged part of the Buildings provided the work is completed without delay.

We will make a reduction for wear and tear if:

- a) the Sum Insured at the date of the loss or damage represents less than the full cost of reconstruction of all the Buildings insured in the same form, size, style and condition as when new;
- b) the Buildings have been inadequately maintained.

If repair or replacement is not carried out We will pay the reduction in market value resulting from the damage, but not exceeding what We would have paid if the work had been carried out without delay.

In the event the Sum Insured is insufficient by no more than 20% of the full reinstatement cost, You will be given the option to increase the Sum Insured retrospectively from the previous renewal date. Upon the payment of the additional premium the claim will be dealt with without a deduction for wear and tear.

We will not pay the cost of replacing any undamaged item or part of any item solely because it forms part of a set, suite or one of a number of items of a similar nature, colour or design.

Any payment We make will not reduce the Sum Insured.

We will not pay more than the Sum Insured for any one incident of loss or damage by insured risks 1) to 13).

3. Other insurance

If any loss, damage or Liability which is the subject of a claim under this policy is covered by any other insurance, We will not be liable for more than Our proportion of such claim.

4. Fraud

If a claim is fraudulent or false in any way, We will not make any payment and all cover will end.

5. Cancellation

Your policy may be cancelled:

- a) by Us where there is a valid reason for doing so by giving You seven days' notice in writing to Your last known address. We will give You a refund in proportion to the time left until Your current Period of Insurance is due to run out. Valid reasons may include but are not limited to:
 - If You advise Us of a change of risk under Your policy which We are unable to insure;
 - Where You fail to respond to requests from Us for further information or documentation;
 - Where You have given incorrect information and fail to provide clarification when requested;
 - Following a significant failure of You to comply with the terms and conditions of Your policy; and/or
 - The use of threatening or abusive behaviour or language, or intimidation or bullying of Our staff or suppliers, by You or any person acting on Your behalf.
- b) by You at any time, if You are not a leaseholder or if You are a leaseholder and You have the consent and/or approval of the Council or other interested party.

In these circumstances the following cancellation terms apply:

Cancellation within 14 days

If You decide that You do not want to accept the policy (or any future renewal of the policy by Us) tell the Council or other organisation who arranges the insurance on Your behalf of Your decision in writing or by phone within 14 days of receiving the policy (or for renewal, within 14 days of Your policy renewal date).

If no claims have been made We will refund the premium You have paid.

If a claim is made We will charge You for the days We have been on cover (applying a minimum premium of £15 plus insurance premium tax) and refund the remainder of the premium You have paid.

Cancellation over 14 days

If the policy is cancelled after 14 days of You receiving it (or for renewals, after 14 days of Your policy renewal date), You will be entitled to a refund of any premium paid, less the pro rata portion for the period the policy was in force.

6. Law applicable to the contract

Your policy is governed by the law applying to Your address shown in the Policy Specification within the United Kingdom. If there is any disagreement about which law applies, English law will apply in which case You agree to submit to the exclusive jurisdiction of the courts in England and Wales.

Unless agreed otherwise, We will communicate to You in English.

7. Changes to information

You must inform the Council or other organisation who arranges the insurance on Your behalf, if any information supplied in connection with this policy changes. Failure to do so may result in Your insurance no longer being valid and claims not met.

For example:

- if You have had an extension built;
- if Your Home is used for any business purposes (other than clerical);
- if Your Home is no longer in a good state of repair;
- if You have let, part let or sub-let Your Home to tenants;
- if You or any person living in Your Home, has been convicted or received a police caution or has any prosecution pending for any criminal offence involving arson, fraud or theft.

If in doubt about any change, please inform the Council or other organisation who has arranged this insurance on Your behalf. If Your policy is amended as a result of any change, We will be entitled to vary the premium and terms for the rest of the Period of Insurance. You should keep a record (including copies of letters) of all information supplied to Us in connection with this insurance.

We and other insurers may search these databases when You apply for insurance, in the event of any incident or claim or at time of renewal to validate Your claims history or that of any other person or property likely to be involved in the policy or claim.

This helps to check information provided and prevent fraudulent claims.

Fraud prevention and detection

In order to prevent and detect fraud We may at any time:

- check Your personal data against counter fraud systems;
- use Your information to search against various publicly available and third party resources; use industry fraud tools including undertaking credit searches and to review Your claims history;
- share information about You with other organisations including but not limited to the police, the Insurance Fraud Bureau (IFB), other insurers and other interested parties.

If You provide false or inaccurate information and fraud is identified, the matter will be investigated and appropriate action taken. This may result in Your case being referred to the Insurance Fraud Enforcement Department (IFED) or other police forces and fraud prevention agencies. You may face fines or criminal prosecution. In addition, Zurich may register Your name on the Insurance Fraud Register, an industry-wide fraud database.

Handy hints for around the Home

We have included some practical advice to help You avoid some of the more common accidents and events which occur.

Fire prevention

Over half of all fires in the Home start in the kitchen, so take special care when cooking with hot oil or fat and never leave chip pans unattended.

Fit smoke detectors in all rooms (special detectors are available for the kitchen) and test them on a regular basis to ensure that the batteries are working.

Check electrical equipment and follow the manufacturer's instructions in making sure that the correct fuses are used and circuits are not overloaded.

Make sure that cigarettes and cigars are always properly extinguished.

Water damage

Find out where the stopcock is and make sure that You can turn it on and off.

Lag exposed water pipes and tanks in the roof area, but, remember not to use insulation material under the water tank as this may cause water in the tank to freeze.

If pipes freeze, thaw them out slowly using hot water bottles; never use a blowlamp.

If You go on holiday during the winter, turn off and drain the water system, unless You leave Your central heating system on.

Trees

Structural damage can be caused by trees and shrubs situated close to Buildings. Do seek advice on safe planting distances before planting trees and shrubs in Your garden and ensure that they are pruned regularly.
